

WAL-MART WORKER'S VOICE

Local 1400 Shop Steward Conference

Over 130 Local 1400 Shop Stewards from across Saskatchewan met at the Echo Valley Conference Centre this past weekend for the Local's first ever Shop Steward Conference.

The Stewards participated in educational courses that will improve their skills and allow them to better represent their fellow workers. They also got a chance to network with other Stewards and learn from each other's experiences.

The Local looks forward to the day when Wal-Mart Shop Stewards attend these conferences to learn and share with their fellow workers.

The Court of Appeal has not yet issued its decision in the appeal it heard on September 10, 2004. We remain confident it will rule in the Union's favour and we can get back to hearings to determine your certification application.

In the last year, Local 1400 has recovered over \$120,000.00 for members. This money was paid by Employers for improper scheduling, not paying the proper wage rate, or for the proper number of hours. Without a union contract this could have been lost to the affected employees.

For more information or general questions, please call the Union office at 1-800-274-4036, or after business hours contact Lucy at (306) 227-9875, or Greg at (306) 221-1273.
